FAUNA ET FLORA

Look forward to the best of both worlds. The art of bringing them together. Creating a symbiosis. Rediscovering flavors. Unleashing the full potential. From the mountains. From waters. From the forest. Experience today's menu as a culinary journey of discovery.

In line with this, our It's a Match Wine Pairing promises harmonious wines, meticulously selected and meeting the highest standards. An expedition into familiar and unfamiliar territories, in constant motion, driven by wanderlust, and with the courage to not turn back. Enjoy and let your mind wander.

EXPERIENCE ONLY THE BEST.

HONEYMOON

What began with an "It's a Match" may soon lead to a truly extraordinary journey. A journey to the most beautiful places in the world, to distant cultures, to foreign influences. It's the Honeymoon.

We create lasting memories. We are world explorers. We are curious and perhaps even daring.

THE BREAK UP CURE

A hand holding a heart with a lightning bolt striking it. The hand is rendered in a halftone dot pattern, and the heart is a bright blue outline with a lightning bolt striking it from the right. The background is a vibrant yellow with some pink and blue scribbles.

Having been everywhere, seen everything, and experienced much. The picture-perfect story comes to an end, and yes, what more can we say...

Our Break-Up Cure generates new energy, sparks a desire for more, and reveals how beautiful the world can be. We return to where we felt particularly at ease, stay longer, and dare to succumb to indulgence. A tribute to life.
